Dear Kyle and Jason:

The Laboratory Approval Service (LAS) has reviewed the results of the audit of Waters Agricultural Laboratories. As a result of this audit, we have determined your operations are sufficiently maintained and conform to the requirements of the Laboratory Approval Program for Export of Meat and Poultry Products as outlined in the audit report, dated July 13, 2021. The findings of the audit did not identify any nonconformances. Future assessments will be conducted in accordance with the *Laboratory Approval Program – General Policies and Procedures*.

Your Scope of Approval is attached.

We look forward to working with you to ensure the continued success of the Laboratory Approval Program. Future assessments will be conducted in accordance with the *Laboratory Approval Program – General Policies and Procedures*. If you or any other persons have questions, concerns, or comments regarding this audit, please contact me directly.

Your feedback is welcome, positive or negative, for the services provided by LAS. It can be submitted by phone or email directly to myself, or to LAS@usda.gov.

Sincerely,

Lingsu Zhang

Scope of Approval to the Laboratory Approval Program for Export of Meat and Poultry Products

Waters Agricultural Laboratories

257 Newton Highway, PO Box 382, Camilla, GA 31730

Kyle White; (229)336-7216; kyle@watersag.com

In recognition of successful implementation of program requirements and satisfactory assessment by the Laboratory Approval Service, this approval verifies the laboratory's ability to perform the following tests using the methods of analysis listed below to determine if product meets customer and country specific requirements:

- **Pesticides in poultry fat by GC/ECD using:**
Poultry fat pesticide analysis (SOP PA.002. GC/ECD. EPA8081B)

The laboratory may use the term "USDA-approved laboratory" for the limited purpose of announcing its approved status and for use on test reports or certificates of analysis that describe testing within the scope of approval only.

Information regarding approval status is posted on the Laboratory Approval Service website at <https://www.ams.usda.gov/services/lab-testing/las-export-program>.
